**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a user of sonic broadband internet. I support sonic and companies alike as theyre smaller business trying to provide a better internet for our nations people.

I use to be on a cable internet service but have switched to fiber and it is a vast improvement in speed. I also feel like the support I receive is better.

Sonic and companies alike are growing because theyre figuring out what people want.

Please keep the bridge to broadband.

Thank you,

Jeffery Leung
